

Chip & Pin

Fully integrated with your Fusion cashless system

Fast, easy and secure school transactions with Chip & Pin payments

Schools, sixth forms and colleges can now facilitate fast, automatic card payments with Chip & Pin transactions, fully integrated within your Fusion cashless catering system. Chip & Pin enables pupils, staff, parents, and visitors to use a contactless card, debit/credit card and Google or Apple payments for school transactions. Fully integrated into the Fusion cashless system, Chip & Pin eliminates time-consuming transactions and manual end-of-day processes.

For Pupils | Staff | Parents | Visitors

- ✓ Increase uptake by offering Chip & Pin in the dining hall, school shop, and events and accept visitor payments.
- ✓ Eliminate human error as transactions are automatically shown on the PED, with no manual input required from staff.
- ✓ Consolidated cashless report saves staff valuable time by eliminating the need to count card transactions manually.
- ✓ Provide a simple payment method for pupils, staff, parents, and visitors by offering debit/credit cards, Google/Apple Pay and contactless card payments.
